R. H. Buck, R.D., Lt.-Cdr.	Booth S.S. Co., Ltd. ...	1029 ... 28 Feb. 1923
R.H. Dominy C.B.E., Lt.-Cdr. (retd.)	Pacific S.N. Co.	1031 ... 21 Mar. 1923

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 90 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of persons belonging to the Naval Reserve on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

Admiralty. By command of their Lordships. (*See also page* 1109.)

SEA CADET CORPS.

The Sea Cadet Corps is composed of officially recognised Naval Units of various Central Associations. The authority to whom the Lords Commissioners of the Admiralty delegate their power to grant official recognition of Naval Units in the British Isles is the Admiral Commanding Coastguard and Reserves, from whom copies of Regulations governing the "formation, organisation, and administration" of units of Sea Cadet Corps can be obtained.

NOTE.—*The letters N.C.S. against the name of a corps indicate that the corps although officially recognised and subject to the same regulations as the remainder, is not eligible to receive capitation grant or other concessions which will involve expense to the state, or to be supplied with Naval Stores on loan.*

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

COMMUTATION OF RETIRED PAY OR OTHER PAYMENT OF THE LIKE NATURE, UNDER THE PENSIONS COMMUTATION ACTS, 1871 TO 1882.

The following Pensions are commutable under the provisions of the Pensions Commutation Acts, 1871 to 1882, subject to such restrictions as may be imposed:—

Retired Pay or Pensions of all Officers.
Officers' Pensions for wounds and disabilities.

The following are not commutable:—

Good Service Pensions.

Naval and Greenwich Hospital Pensions.

1. By the 2nd section of the Act of 1871, the term Officer means Commissioned Officer, Warrant Officer, or Subordinate Officer of the Navy; Officers of the Royal Marines are included.

In this memorandum Pension means Retired Pay or Pension.

2. An Officer may commute the whole or part of his Pension for wounds or injuries at any time either before or after retirement, subject to the proviso that, if retired, he may commute only so much thereof as will leave him with a permanent pension (including other pension, if any) of not less than £120 a year.

An applicant for commutation in receipt of a double Pension (Service and wounds) will be required to commute the Pension for wounds first.

4. (a) No Officer will be allowed to commute any portion of his Service Pension until he has attained the age of 40, unless he is certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service.

Digitized by Google

(b) (i) No Officer will be allowed to commute more than half of a Service Pension of £300 or over.

(ii) No Officer will be allowed to commute so much of a Service Pension of between £180 and £300 as would reduce it below £150.

(iii) An Officer whose Service Pension is less than £180 may commute an amount not exceeding £80, provided that the total amount uncommuted is not thereby reduced below £120.

(iv) Any reduction of retired pay consequent on a fall in the cost of living will be assessed on the original amount awarded on retirement and not only on the portion remaining uncommuted, and the effect of such reduction will be ignored in determining the amount of retired pay that may be commuted.

(c) In commuting a Pension or any portion thereof, there shall be charged a fee of one per cent. on the amount awarded, provided that such fee shall never be less than £1, nor more than £10 in each case.

5. An Officer desirous of commuting a part of his Pension must make application in writing to the Secretary to the Admiralty, stating his desire to commute, his date of birth, and his rank, and the amount of his Retired Pay; and he must specify either the portion he wishes to commute or the capital sum he wishes to realise.

6. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Commutation Board, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board of the Treasury.

7. The Commutation Board will require him to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination at the Office of the Board, 19, Old Jewry, London E.C., but persons abroad who desire to be exempted from personal attendance may apply to the Commutation Board accordingly, stating their reasons for making the request; and their applications will be submitted to the Lords Commissioners of His Majesty's Treasury, whose decision in the case will be final.

8. In the event of an applicant not taking steps to complete the necessary forms, or failing to attend for medical examination when called upon to do so within seven months of an application being received by the Pensions Commutation Board, no further steps will be taken by that Board without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

9. The basis of the commutation will be the following Table, subject to an addition of years of age in the case of impaired lives, and to a deduction of years of age as an equivalent for the right to prospective increase of Pension, if such right shall exist:—

Age next Birthday.	Number of Years' Purchase.	Present Value of the Annuity of 100l. £ s. d.	Age next Birthday.	Number of Years' Purchase.	Present Value of the Annuity of 100l. £ s. d.

10. Applicants for commutation will continue to draw the pension which they have applied to commute until the date upon which the Warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners or until seven months have elapsed from the date upon which an application to commute was received at the Admiralty, whichever is the earlier.

The amount of money to be paid in commutation will be fixed by the Treasury on the recommendation of the Commutation Board. The applicant will then be informed of the amount, and he will have the option of withdrawing his application on the payment of a fee of £2 within 30 days after receiving that notice, but if the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury, and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

11. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the cases of persons reported for neglect or desertion of family; of persons under stoppage of Pension by Bankruptcy orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

13. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his Pension or the value thereof, and to imprisonment, or fine, or both.

14. The Widows of Officers who commute will be granted Pensions according to the usual scale, provided:—

(a) That they married before date of commutation.

(b) That their husbands' names were on the List of the Navy at the time of death.

(c) That they are otherwise eligible for Pensions.

15. The Children of Officers who commute will be granted Compassionate Allowances according to the usual scale, provided:—

(a) That they were born before date of commutation.

b That their fathers' names were on the List of the Navy at the time of death.

c That they are otherwise eligible for Compassionate Allowances.

16. The Pensions to Widows of Officers who marry after commutation, and the Compassionate Allowances to children born after commutation, will be reduced in proportion to the decrease caused in the Pension of the Officer by such commutation.

18. The list of Officers to be married Naval, or Greenwich Hospital Pensioners will not be affected by their having commuted their Pensions, provided their names are on the List of the Navy.

17. Retention of the names of Naval and Marine Officers who have already commuted the whole of their Pensions on the List of Commissioned Officers will depend upon their reporting to the Secretary of the Admiralty, in writing, annually, between 1st January and 31st March, the fact of their being alive.

18. The retention in the Army List of the names of Marine Officers who have already commuted the whole of their Pensions will depend upon their reporting their existence, in writing, half yearly, to the Secretary of the War Office, Whitehall.

19. Officers who have already commuted the whole of their Pension are not eligible as Patients in Naval Hospitals, but partial commutation does not prevent admission as such.

By Command of Their Lordships,

Admiralty, 31st July, 1850. O. Murray.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—*For Tables of Full, Half, and Retired Pay, and Gratuities, see pp. 2283, 2274.*

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of retired pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

3a. Officers appointed to technical and administrative posts, which carry with them rates of pay and pension on a civilian basis, shall be supernumerary to the Established Lists whilst so employed.

4. The sentence of a Court-Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5 (a) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired or Pension List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(b) An Officer placed on the Retired List under Clause (a), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the half pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(c) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(d) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

2. The prescribed patterns are to be strictly adhered to.

When to be worn.

155. Every Officer from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

XIX.—MANNER OF WEARING DECORATIONS, ORDERS, AND MEDALS.

Knights Grand Cross and Knights Grand Commanders.

167. The insignia of Knights Grand Cross and Knights Grand Commanders, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress and ball dress and white full dress. With full dress the Ribbon should be worn under the epaulette and sword belt; with white full dress under the shoulder strap, and with ball dress under the coat and over the waistcoat. One ribbon and badge only is to be worn, and this is to be the senior ribbon and badge, unless a junior should appear to be more appropriate to the occasion. With full dress, on collar days, the collar takes the place of the ribbon, being worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide; on these occasions a Knight Grand Cross or Knight Grand Commander of more than one Order wears in addition the ribbon and badge of the next senior Order.

2. With frock coat and epaulettes and with white dress, the Star of the order only is to be worn. With frock coat and with white undress on the occasions prescribed for frock coat the Star may be worn at discretion.

3. With white undress on other occasions and with other uniform coats, except full dress, ball dress, mess dress, and mess undress, the ribbon of a Companion of the Order is to be worn; with mess dress, miniature Badges but not Stars are to be worn in lieu, and with mess undress, Ribbons of miniatures.

Knights Commanders and Commanders.

4. The Insignia of Knights Commanders and Commanders of Orders and of Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire, consisting of the Badge suspended from a ribbon round the neck, and in the case of Knights Commanders, the Star, are to be worn with full dress, ball dress, and white full dress. The ribbon should be worn inside the collar of the coat and under the necktie so that the Badge hangs outside one inch below the front of the collar or the tie.

If the Insignia of more than one Order be worn, one ribbon and badge only is worn round the neck as described above. With full dress the ribbon and badge so worn is the senior, unless a junior appears to be more appropriate to the occasion; the other badges are worn one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side of the coat. With white full dress the senior badge is worn round the neck unless a junior appears to be more appropriate to the occasion; the other badges emerge from between the buttons of the coat as in full dress, but commencing one inch below the senior badge. With ball dress, the senior badge only is worn round the neck, unless a junior badge should appear to be more appropriate to the occasion. All badges are worn on the breast in miniature.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With white dress and white undress, and with other uniform coats, except full dress and ball dress, the rules laid down in clauses 2 and 3 are to be observed.

* Specimen Uniforms may be seen at the Admiralty Pattern Rooms, Broadway, Westminster, S.W.

The above order of Orders, Decorations and Medals, applies to those of similar grades. When the miniature or ribbon of a higher grade of a junior Order is worn with the miniature or ribbon of a lower grade of a senior Order the higher grade miniature or ribbon should come first, *e.g.*, the miniature or ribbon of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

b. Foreign Orders.—In order of date.

c. Foreign Decorations.—In order of date.

d. Foreign Medals.—In order of date.

In Undress Uniform no Badge of an Order will be worn round the neck.

The ribbon of an order, decoration or medal may be assumed from the date of the official notification of the award, and may be worn when the recipient attends for investiture.

Medals awarded by Societies.

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left, and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Bar for Decorations, &c.

11. The several Decorations, Badges and Medals, are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing with the end furthest from the shoulder.

On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap the highest shewing in full. With ball dress and mess dress the bar is to go over the lapel if necessary, but not beyond.

Ribbons when Decorations etc. are worn.

12. When Decorations, Orders and Medals are worn, the Medal ribbons are to be of the following lengths:—

Full size	..	..	..	1½ inch
Miniature	..	..	..	1 inch

Ribbons of these lengths carry 4 clasps. If more than 4 clasps are worn the length of the ribbon is to be regulated by there being half an inch of clear ribbon between the top edge of the ribbon and the highest clasp in the case of full-sized medals, and ¼ of an inch in the case of miniatures, the remaining ribbons being so regulated that the centres of the medals are in line with the centre of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer, be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Commencing with the lower edge of the frame each ribbon runs over the upper edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribbons.

Ribbons when Decorations, &c., are not worn.

13. When Decorations, Orders and Medals are not worn, the ribbons worn are to be of the following lengths:—

Full size	..	..	..	½ inch
Miniature	..	..	..	¼ inch

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of ½ inch intervening between the rows.

Ribbons of Orders, Decorations and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniature Decorations, Badges and Medals.

14. Miniature Decorations, Badges of Orders, and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will wear on the bar, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong. Only one set of miniatures need be maintained. The miniature of companionship will not be removed when the ribbon or badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, etc.

Decorations, &c., may be worn with plain dress.

15. Orders and miniature Badges, Decorations and Medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroys, and of Governors-General, and on public and official occasions.

Retired Officers.

16. Retired officers are authorised to wear Stars and Badges of Orders, and miniature Decorations and Medals in evening dress on all public and official occasions.

UNIFORM FOR THE ROYAL NAVAL RESERVE.

The Uniform of Officers of the Royal Naval Reserve is the same as that of Officers of corresponding rank of the Royal Navy with the following exceptions:—

1. Instead of each distinctive stripe of gold lace round the sleeves of the coat there is a stripe formed of two waved lines of gold lace, each of one-half the width of that prescribed for Officers of the Royal Navy, one line superimposed upon the other so that one-eighth inch of blue cloth shows between the curves. (The half stripe, however, is a single straight line of one-eighth inch gold lace.)

2. The white turnback and buttonhole of white twist for Midshipmen is replaced by a blue turnback and button-hole of blue twist.

3. Midshipmen, when appointed for short periods or when under training, are not required to wear a sword or dirk, but may wear a sword.

NOTE.—The coloured cloth denoting Branches does not fill the space between the bands of lace, but consists in a narrow stripe.

Officers below the rank of Sub-Lieutenant (confirmed) are not required to provide frock coats.

UNIFORM FOR THE ROYAL NAVAL VOLUNTEER RESERVE.

The Uniform of Officers of the Royal Naval Volunteer Reserve is the same as that of Officers of corresponding ranks of the Royal Navy with the following exceptions:—

1. Instead of each distinctive stripe of gold lace round the sleeves of the coat there is a waved line of three-eighths inch gold lace. (The half stripe, however, is a straight line of one-eighth inch gold lace.)

2. The edges of the coloured cloth denoting Branches other than the Military Branch are waved to follow the curves of the lace. When there is more than one stripe of distinction lace the coloured cloth fills the space between the stripes.

3. The white turnback and buttonhole of white twist for Midshipmen is replaced by a maroon turnback and buttonhole of maroon twist.

---

(a) Paymasters, Barrackmasters, and Quartermasters are to wear the same pattern uniform as other Officers of corresponding rank.

(b) Officers on the Retired List whose names appear in the Navy List may wear the uniform of their rank which was regulation at the time they retired, or they may wear the latest pattern uniform, but in each case the letter "R" is to be worn on the shoulder-cords or shoulder straps, immediately below the badges of rank.

In Service Dress the letter "R" will be worn on the step of the collar below the collar badges.

(c) Officers of the Royal Marines are to conform strictly to the provisions of the King's Regulations for the Army in regard to the different orders of dress, unless otherwise provided for by special order for the Royal Marines. (d) Officers are not permitted to appear in their uniforms at Fancy Dress Balls. (e) For mourning, a band of crape, 2½ inches wide, is to be worn above the left elbow.

(f) Information regarding patterns of uniform or equipment for Officers of Royal Marines can be obtained on application at the Office of the Adjutant General, Royal Marines, 47, Victoria St., S.W. 1.

PRIZES, TESTIMONIALS, &c.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1861 to commemorate the services of Rear-Admiral Sir Francis Beaufort, K.C.H., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of a series of instruments or books of a professional character and of practical use to a Naval Officer.

It is bestowed annually on the Midshipman who passes the best examination in Navigation and Pilotage for the rank of Lieutenant in the Royal Navy.

THE WHARTON TESTIMONIAL.

The Wharton Testimonial was founded in 1874, to commemorate the service of Rear-Admiral Sir William J. L. Wharton, K.C.B., F.R.S., who filled the post of Hydrographer of the Navy from 1884 to 1904. It exists for the same purpose as the Beaufort Testimonial. The funds available amount to about £40. The interest on a portion of this sum will be added to the interest on the capital of the Beaufort Testimonial, and the total amount will be employed in purchasing some instrument or work of a kind to be practically useful to a Naval Officer. The interest on the remaining sum will be used to purchase for the winner of the joint prizes a gold medal having on the obverse a bust of the late Sir William Wharton and on the reverse a suitable inscription.

The two awards for the same object will be given annually under the names of "The Beaufort Testimonial and the Wharton Testimonial," thus associating the names of two Hydrographers of the Navy.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 20th August, 1873, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about £6,000. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first class certificate in seamanship. Any balance that remains after payment of expenses is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Baronet, formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, a fund for the encouragement of Naval Medical Science, which is vested in the Corporation of the Royal College of Surgeons of London, in trust.

This Fund is employed for the purpose of conferring a gold medal annually on the Medical Officer who obtains the highest aggregate marks at the examinations for promotion to the rank of Surgeon Lieutenant-Commander, the award being subject to the approval of the Presidents of the Colleges of Physicians and Surgeons respectively and the Director-General of the Medical Department of the Navy.

If in any year no Medical Officer passes a sufficiently meritorious examination to entitle him to the award of the Medal it is held over until the following year, but not more than two medals may be awarded in any one year.

If the unawarded Medals exceed four, their value is given to the Supplemental Fund for the children of Medical Officers

CHADWICK NAVAL PRIZE.

A Trust, called the Chadwick Trust, has been created by the will and codicil of the late Sir Edwin Chadwick, K.C.B., that once in every five years the Trustees may present the sum of £100 and a Gold Medal, to be called the "Chadwick Naval or Military Prize," to such Officer of the Naval or Military Medical Services as shall during the preceding five years, have specially assisted in promoting the health of the men in the Navy or the Army, and shall be nominated for such presentation, in the case of a Naval Officer, by the Director-General of the Medical Department of the Navy.

THE NEWMAN MEMORIAL FUND AND PRIZE

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died whilst serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about £600. The interest of this sum is employed annually in providing a prize consisting of books, scientific instruments etc., which is conferred on the Officer R.N., qualifying for Engineering duty, who takes the first place at the Examination in Practical Engineering held on the completion of his original course of specialising in Engineering.

SHADWELL TESTIMONIAL PRIZE.

The Shadwell Testimonial Prize, founded in 1866 in memory of the late Admiral Sir Charles F. A. Shadwell K.C.H., who died 1st March, 1866, will be known as the "Shadwell Testimonial," and will consist of a Pocket Sextant, or other instrument (as funds will admit), of use in Navigation or Marine Surveying.

It will be bestowed annually on the Officer of a rank not higher than Lieutenant-Commander, and who has never been classed as an Assistant Surveyor, who has sent in through his Captain the most creditable plan of an anchorage, or other marine survey, accompanied with sailing directions, recently executed by himself.

The award will be made on the plans received at the Admiralty during each calender year, by a Committee consisting of the Hydrographer, the Assistant Hydrographer, and Surveying Officer in charge of the Chart Branch at the Admiralty; and they will be empowered to make no award, should they judge the plans received during the year not to be sufficiently meritorious.

In case of co-operation in the production of a plan, a junior officer, who has assisted materially in its construction, may participate in the reward, should the funds be sufficient.

The first award was made on the plans received during 1869.

THE RYDER MEMORIAL FUND AND PRIZE.

The Ryder Memorial Fund—founded in memory of the late *Admiral of the Fleet, Sir* Alfred Phillipps Ryder, K.C.B., who died on the 30th April, 1888—consists of a sum of about £60l. invested in Government securities.

The dividend arising from this sum is employed annually in the provision of a prize of a book or books, to be awarded to the Lieutenant who takes the first place in French at the annual examinations in foreign languages, a colloquial knowledge of the language being necessary to render a candidate eligible for the award of the prize.

The Ryder Prize may be withheld in any year if considered advisable.

Any balance that remains after payment of expenses may be handed over to the winner of the medal at the discretion of the Admiralty.

KING GEORGE PRIZE SCHOLARSHIPS.

In accordance with the wishes of H.M. the King that the greater part of the Fund subscribed for the purpose of commemorating His Majesty's Coronation by subjects of His Majesty bearing the Christian name "George" in all parts of the Empire should be utilised for the benefit of junior Officers of the Royal Marines who may find difficulty in meeting the cost of the final stage of their military training, the sum available was invested and the income arising therefrom was devoted to the institution of Scholarships termed the "King George Prize Scholarships." One Scholarship is awarded each year to the Officer in the Royal Marines who, as a result of the annual competitive examination, is selected by the Admiralty for admission to the Military Staff College at Camberley. If in any year there is no Officer selected for admission to the Military Staff College, Camberley, the prize for that year may be awarded to an Officer selected to undergo the War Staff Course at the Royal Naval College Greenwich. The Scholarship awarded to Officers at Greenwich will be tenable for one year only unless renewed, such renewal being dependent upon the number of Officers studying at Camberley.

Each Scholarship is tenable for two years and ordinarily consists of half the net income for the year derived from the Fund, estimated approximately at £97 10s.

The first Scholarship was awarded in 1914.

THE COMMANDER LLEWELYN PRIZE.

ENTRY AND EXAMINATION OF OFFICERS.

NAVAL CADETS.

REGULATIONS FOR ENTRY AND TRAINING AT THE ROYAL NAVAL COLLEGE AT DARTMOUTH, AND ON BOARD THE TRAINING SHIP.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Assistant Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 13½ years of age.

2. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together, but after passing for the rank of Lieutenant, or at an earlier stage, they may be required to serve either as general service officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or other special duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are not alternatively filled.

Parents or guardians of Candidates for appointment as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, they will pay to the Admiralty, if demanded, the sum of £40 per term in respect of each term passed by him at the R.N. Colleges, Osborne and Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the fees charged mentioned in para. 15.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September.

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding - - - 1st December.
Do. do. May do. - 1st April.
Do. do. September do. - 1st August.

The qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 16th January, 16th May and 16th September following, respectively, *e.g.*.

Candidates born on or between—	Eligible for Examination in—	Eligible for entry in—
1st Dec. (1909) and 31st Mar. (1910) - -	July (1923)	Sept. (1923)

1st Aug. (1910) and 30th Nov. (1910) - -	Mar. (1924)	May (1924)

6. All Candidates (except those being educated in the Dominions or Colonies, who have received special recommendations from the Dominion or Colonial authorities under para. 9) will be required to present themselves before a committee, which will interview each applicant separately.

The applications must be received at the Admiralty:—

For the January entry before 16th October.
Do. May do. do 16th January.
Do. September do. do. 16th May.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (see par. 7) and a Qualifying Examination in educational subjects (see para. 8).

The fact, however, of a Candidate being invited to appear before the Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

Travelling and other expenses incurred in connection with interview and medical examination cannot be recovered from the Admiralty.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

7. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. Details of the physical requirements of Candidates are shown on page 2845. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, together with a physician, or a surgeon, or a specialist, nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

8. The Qualifying Examination is in the following subjects:—

(1.) English (including writing from dictation and reproduction of the gist of a short passage twice read aloud to the Candidates).
(2.) History and Geography, with special reference to the British Empire.
(3.) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

* **Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Dartmouth, at the beginning of the ensuing term.**

Proofs of the validity of constructions will not, as a rule, be expected, but they may be asked for.

Practical Geometry.

Theoretical Geometry. The facts stated in the following theorems, together with riders on them, but without formal proofs of the theorems:—B, 1—11. Formal proofs of the following theorems, together with riders on them:—B, 14—19, 21, 22.

The numbers in the Schedules correspond to those in the Geometry Schedule of the Common Examination for entrance to Public Schools, as reprinted from the Cambridge University Ordinances.

(5.) French or German, with an oral examination, to which importance will be attached.

(6.) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order.

9. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must pass the Qualifying Examination and the Medical Examination.

10. Successful Candidates who are the sons of Officers of the Royal Navy, Royal Marines, Army, or Royal Air Force who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to War service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training:—

(1) The grant of an outfit allowance of £40 on the first entry.

(2) The remission of fees at Dartmouth.

(3) The remission of private allowance in the Training Ship.

In cases where the above conditions are fulfilled by Cadets already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of training fees private allowance, and tuition allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive Educational Allowances.

11. Naval Cadets will undergo a course of instruction at the R.N. College, Dartmouth, for a period of rather less than four years. This period will include eleven terms. On passing out of Dartmouth they will continue their training for a period on board a Special Training Ship and will then be sent to the sea-going Fleet as Midshipmen.

12. The following are the approximate dates of the beginning and the end of the three terms at the College:—

16th Jan. to 8th Apr. Four weeks at Christmas.
6th May to 4th Aug. Four weeks at Easter.
22nd Sept. to 21st Dec. Seven weeks at Midsummer.

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets while at the Royal Naval College, Dartmouth, and on board the Training Ship, shall be subject to the Regulations for the time being in force respecting Cadets.

15. For Cadets entering under these Regulations, payment will be at the rate of £180 per annum for the period under training at the College, to be paid in sums of £30 every term in advance on receipt of a claim from the Accountant-General of the Navy, to whom cheques, crossed "Bank of England," should be made payable. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion, a number not exceeding 30 per cent. of the entries, with respect to whom reduced fees will be allowed, viz.: 10 per cent. at fees of £40 per annum, 10 per cent. at fees of £70 per annum, and 10 per cent at fees of £100 per annum (to be paid in sums of £13 6s. 8d., £23 6s. 8d. and £33 6s. 8d. respectively every term in advance). A proportion of those admitted at the reduced scales will be sons of Officers of the Royal Navy, Royal Marines, Army or Royal Air Force or of Civil Officers under the Board of Admiralty, the reduced scales being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scales will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. *Forms* of application for admission at the reduced scales will be issued in respect of all candidates who are selected* after the interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible *by such parents as desire to make application for the reduced scale.*

* *Parents abroad will, however, be furnished with forms of application prior to this selection if they so desire.*

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

18. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1s. a week paid as pocket money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

19. No pay is allowed by Government to the Cadets in the College, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Ship is 1s. a day, and that of Midshipmen is 2s. a day.

20. The fees specified in paragraph 18 will cease on the Cadet joining the Training Ship. Parents or Guardians will then be required to make on behalf of the Cadet a private allowance at the rate of £50 a year until he reaches the rank of Midshipman. This allowance, which will be claimed periodically in advance by the Accountant-General of the Navy, is utilised to provide for all necessaries incidental to the Cadet's training (*e.g.*, purchase of books, entertainments, &c.), and is in no way a personal allowance to the Cadet himself.

21. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

22. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

23. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

24. On reaching the ninth term at Dartmouth each Cadet will be provided with a Sextant of the approved Admiralty pattern, the cost (10 guineas) being charged to the Cadet's personal account.

25. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

26. Instructions to Cadets joining the College for the first time will be sent by the Commanding Officer. Cadets rejoining the College will be expected to make their own arrangements for doing so.

27. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

28. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

29. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received*.

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

28. Letters relative to the Cadets should be addressed to:—"*The Commanding Officer*, Royal Naval College, Dartmouth," or "*The Commanding Officer*, H.M.S. ———," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Training Ship without delay.

29. The course of study includes the following subjects:—

Mathematics, with Geometrical Drawing.
Physics and Chemistry.
Mechanics, and applied Mechanics with laboratory work.
Applied Electricity, with laboratory work.
Engineering, with workshop practice and Mechanical Drawing.
Seamanship, with Gunnery in the Training Cruiser.
Navigation.
French or German.
English Grammar and Composition.
English Literature.
History, including Naval History.
Geography.
Hygiene.
Drill and Physical Training.

A proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the College, and also in the Training Ship.

30. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

31. The passing out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination, and marks are also awarded for Officer-like qualities.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	-	2 months.
For a Second Class	-	1 month.

Time will also be awarded for the course in the Training Ship which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	-	1 month.
For a Second Class	-	½ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

32. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) They fail to reach a satisfactory standard, or
(2) Their conduct is unsatisfactory, or
(3) They are unsuitable for the Naval Service.

33. It is to be distinctly understood that the period of training, including the time spent in the Training Ship, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

34. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

O. MURRAY.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS, WHICH WILL REMAIN IN FORCE AFTER THE YEAR 1914, UNTIL FURTHER NOTICE

1. Fifteen Naval Cadetships will be offered for competition under the following regulations in year 1913.

2. Examinations will be held annually in June. Candidates for admission must be not more than 14½ nor less than 13½ years of age on the 1st of July following the examination. No nomination is required. Application should be made to the Secretary of the Admiralty, Whitehall, S.W.1, not later than the 1st April, preceding the examination. A form of

3. Candidates must be of pure European descent and the sons either of natural born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

4. Applicants who satisfy these conditions will be invited to appear before a Committee at the Admiralty. This Committee will interview each candidate and examine credentials furnished by the headmaster of the school he is attending or last attended. A report will be obtained beforehand from the headmaster for the information of the Committee as to the Candidate's conduct, abilities, past training and general promise of suitability. On the report of this Committee it will be determined whether the Candidate shall be admitted to compete. Candidates will be required to pass at the same time a Medical Examination, according to the prescribed regulations, as to their physical fitness for the Navy. Travelling and other expenses incurred in connection with Interview and Medical examination cannot be recovered from the Admiralty.

A Candidate who has passed the medical test for the Royal Air Force, within a period of 6 months before his appearance for interview, will not be required to undergo further medical examination.

Such candidates will be required to produce an Official Certificate of the result of the Royal Air Force examination.

Candidates from the Dominions and Colonies may be interviewed and medically examined by the Naval Authorities on the Station, the application being made through the Dominion or Colonial Government concerned.

Such candidates, if selected and found physically fit, will be required to attend the competitive examination in this country, *vide* paragraph 6.

5. Every Candidate must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age.

Details of the Physical requirements of Candidates are contained in Appendix I.

6. Candidates admitted to compete will present themselves for examination in June by the Civil Service Commissioners. The subjects of examination and a syllabus of the subjects are shown in Appendix III. Any further particulars of the examination can be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W.1.

By arrangement between the Admiralty and the War Office a Candidate who is admitted to compete in the examination for special entry as a Naval Cadet may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to first appointments in the Royal Marines, in which case he must express definitely his order of preference* before the examination has begun. For particulars of the conditions of entry to the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

Regulations for first appointments in the Royal Marines may be obtained from the Secretary of the Admiralty.

7. A list of successful candidates in order of merit will be published by the Civil Service Commission.

8. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines or Army, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training:—

(1) The grant of an outfit allowance of £40 on first entry.

(2) The remission of private allowance.

In cases where the above conditions are fulfilled by Cadets, Midshipmen, or Acting Sub-Lieutenants already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible for Compassionate Allowances as prescribed by the Regulations, but will not receive Education Allowances.

9. Successful candidates will be appointed as Cadets to undergo a course of training for a period of 12 months, divided into 3 terms, of which the first two will be spent in H.M.S. Courageous, at Portsmouth and the third in H.M.S. Thunderer. Time will be awarded for the Course in the Training Ships and will count towards promotion to Sub-Lieutenant according to the following scale,

For a first class 2 months.
For a second class 1 month.

Naval Cadets under training will be subject to the Regulations for the time being in force respecting such Cadets

On completing this course, and passing out satisfactorily they will join the Fleet as Midshipmen. They will become Midshipmen later in age than Cadets who enter through Dartmouth, but their Services in the subordinate rank will be shorter, with the general result that except for the effect of the accelerated promotion which they may obtain by doing well in their final examinations, their age will usually be about 6 months more on attaining the rank of Lieutenant.

*Following the Army Regulations, a Candidate may say that if he is not among the first (so many) successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Naval Cadetship.

10. On attaining the rank of Lieutenant the Officers entered under the Special Entry Scheme will come under the same regulations in regard to promotion as the Officers entered through Dartmouth, and will have exactly the same opportunities for advancement to the highest ranks.

The difference in age in the early ranks between these Officers and the Dartmouth entries will not militate against the prospects of promotion of the former, and, as promotion to the ranks of Commander and Captain is by selection, on merit, a special entry Officer who receives early promotion would reduce or overtake this difference in age.

11. All Naval Cadets entered under these Regulations are trained together but, after passing for the rank of Lieutenant or at an earlier stage, they may be required to serve either as general Service Officers or in one of the special branches, undertaking either Engineering, Gunnery, Torpedo, Navigation, or other special duty. As far as possible Officers selected for special service will be allowed to choose the Branch in which they will qualify, subject to the proviso that all Branches are satisfactorily filled.

Parents or Guardians of Candidates for appointments as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

12. Parents or Guardians are required to make on behalf of the Cadet a private allowance at the rate of £80 per annum from the time they join the Naval Service until they reach the rank of Midshipman. This allowance, which will be claimed periodically in advance by the Accountant-General of the Navy, is utilised to provide for all necessaries incidental to the Cadet's training, (*e.g.*, purchase of books entertainments, &c.), and is in no way a personal allowance to the Cadet himself. Private allowance together with Cadets' pay and allowance for messing, should normally be sufficient to meet their expenses, but should this not be the case, the deficit, which would be of small amount, would be chargeable to the Parent or Guardian On reaching the rank of Sub-Lieutenant, an Officer is required to provide himself with the uniform of a Commissioned Officer.

13. Cadets will be paid 1s. a day from the time of entry until they become Midshipmen, when their pay will become 5s. a day. On reaching the rank of Sub-Lieutenant an Officer will be paid 10s. a day. The commencing rate of pay of a Lieutenant is 17s. a day; he is rank is reached, as a rule, after a period of about two years as Sub-Lieutenant.

A Sub-Lieutenant can meet his mess and other necessary expenditure on the pay of 10s. a day.

14. The Parent or Guardian of every Cadet is required to provide an outfit under the Regulations in force. A list of the outfit required under present Regulations is contained in Appendix II. The outfit costs about £65. Additional uniform required on being rated Midshipman is estimated to cost about £30.

15. On joining H.M.S "Courageous," Cadets will be provided with a sextant of the approved Admiralty pattern, the cost (10 guineas) being charged against the Cadet's personal account. Sextants already in possession of Cadets will be accepted in lieu if passed by the Commanding Officer, and accompanied by a National Physical Laboratory Certificate, Class A.

16. All travelling expenses for Cadets will be advanced by the Paymaster, but will be charged to the Cadet

Such money as may be required by Cadets for any special circumstance will be advanced by the Paymaster under the authority of the Commanding Officer.

17. Parents or Guardians of a Cadet must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Training Cruiser or Establishment.

18. A Cadet may be required to be withdrawn at any time, if in the opinion of the Lords Commissioners of the Admiralty:—

(1) he fails to reach a satisfactory standard, or
(2) his conduct is unsatisfactory, or
(3) he is considered unsuitable for the Naval Service.

By command of Their Lordships,

O. MURRAY.

College are unable to qualify for the award of additional marks for Military efficiency, may at the discretion of the Lords Commissioners of the Admiralty be allowed 400 additional marks at the examination if they completed the full College course. If the full course had not been completed at the time of withdrawal, 80 marks will be deducted for each term, or part of a term, unfinished.

The question papers (except in Elementary Engineering) will be the same as those taken in corresponding subjects in the military entrance examinations. A syllabus of the subjects is given below.

In the paper on Elementary Engineering the questions will be of a very elementary character, and knowledge of workshop practice will not be required.

Types of steam turbines. Internal combustion engine using gas or oil. The four-stroke cycle.

FREEHAND DRAWING. (For examinations after that of June 1913.) There will be two tests in drawing. In the first a photograph or other representation of a landscape will be set before the candidate, who will be required to make an outline sketch of it (without shading) showing the profile of hills and rising ground and any prominent tower or other landmarks. In the second test candidates will be asked to draw from memory some common object, such as a chair or saddle.

*Candidates who wish to offer a modern language other than French or German must obtain the written consent of the Admiralty at the time of their selection by the Interview Committee.

APPENDIX I.—PHYSICAL REQUIREMENTS FOR CANDIDATES FOR COMMISSIONS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, squint, imperfect perception of colours, fistula lachrymalis, or any chronic disease of the eyes or eyelids. Candidates for Naval Cadetships at the Royal Naval College, Osborne, must possess full normal vision, viz.—6/6, and be able to read D=0.6, as determined by Snellen's test types, each eye being separately examined. A high degree of Hypermetropia will disqualify. For Candidates for any other branches of the Royal Navy, full normal vision is not required, but any defect of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than 6/60 with each eye, and the candidate must be able to read D=0.6 of Snellen's test types. Candidates for Special Entry Cadetships must possess full normal vision in one eye, viz.:—6/6; and not less than 6/12, without glasses, in the other: the defect must be due to refractive errors, otherwise the Regulations are the same as for the Royal Naval College, Osborne. This lower standard will only be accepted on the clear understanding that these Officers will undergo a further test of eyesight on the completion of their Sub-Lieutenant's examination at the Schools, and a further examination, if considered necessary, on attaining the age of 25. 5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (*See* heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Dominion or Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Dominion or Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 3 per cent. and those who possess Certificates A and B, 6 per cent. of the maximum number of marks allotted.

Candidates who have served during the War in the Royal Navy, Army or Air Force, either as Officers or Men, but who have not been members of the Officers Training Corps, will be accorded 3 per cent. credit if their services are under 1 year, and 6 per cent. if over that period.

10. A Candidate will not be allowed to compete at more than two examinations.

Regulations as to Acting Surgeon Lieutenants.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon Lieutenant in the Royal Navy and will be required to pass through such courses as the Admiralty may decide. (*See* under the heading Examinations.) At the end of the courses the Acting Surgeon Lieutenant will be examined, and, after he has passed, will be given a commission as Surgeon Lieutenant in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon Lieutenant who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer in a Civil Hospital. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon Lieutenant. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeon Lieutenants' Course," and will be required to obtain qualifying marks. Surgeon Lieutenants entered without competition will take seniority next after the last Surgeon Lieutenant entered at the same time by competition.*

15. Surgeon Lieutenants on entry are required to provide themselves with a regulation pocket case of instruments.

15a. Acting Surgeon Lieutenants under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress), omitting white trousers, sword and belt. REGULATIONS RESPECTING THE ENTRY OF PAYMASTER CADETS.

1. Appointments to Paymaster Cadetships will be made by limited competition, with the following exception, viz.:—

One candidate will be nominated annually, who will be required to obtain a satisfactory standard in elementary mathematics and such an aggregate of marks in Class I. as may satisfy the Civil Service Commissioners.

2. This candidate will be selected by the Board of Admiralty after interview from sons of officers of the Royal Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or who have performed long and meritorious service.

Except as regards exemption from the competitive examination, the candidate will be subject in all respects to these regulations. He will not be required to take Part II. of the examination.

3. All candidates, including the candidates for the service nomination referred to in para. 2, will be required to present themselves before a Committee, which will interview each candidate separately. The First Lord of the Admiralty will be guided by the recommendation of the Committee in his selection of candidates to whom nomination will be granted to compete at the examination for Paymaster Cadetships.

Candidates will be required to produce to the Inspecting Officer of Coastguard and Reserves at the time of examination the certificates of baptism and birth which they have obtained during the two years, or, if educated at home, the certificate of a clergyman of the parish in which they reside.

Applications to have the names of candidates placed on the list should be addressed to the Secretary of the Admiralty (C. W. Branch). 4. Two examinations for Paymaster Cadetships will be held annually on the fourth Tuesday in June and the third Tuesday in November under the direction of the Civil Service Commissioners at three centres, viz.:—

Candidates will be required to pay the following examination fees to the Civil Service Commissioners before the medical examination, viz.:—

If examined in London £1
If examined elsewhere £3

The Civil Service Commissioners will deal with all questions connected with the examination, and will announce the results.

Candidates desiring to sit for the Entrance Examination referred to in para. 3 as well as for a Paymaster Cadetship at one and the same time, and at the months of June will cover both examinations.

No candidate will be eligible for examination who is under 17 or over 18½ years of age on the following dates immediately following the date of the examination in question:—

For the June examination .. 1st September.
For the November examination .. 1st February.

As proof of the candidate's eligibility in point of age, a Registrar's certificate of birth must be produced. A certificate of baptism alone will not be accepted.

5. Any arrangement a candidate who is admitted to compete in the examination for a Paymaster Cadetship may, if he so desires and provided he fulfils all the necessary conditions, present himself at the same time for admission to the Royal Military Academy, Woolwich, or Royal Military College, Sandhurst, or to first appointments in the Royal Marines or the Royal Air Force Cadet College or for special entry as a Naval Cadet if such are being entered, in which case he must express definitely his order of preference before the examination has begun. For particulars of the conditions of entry of the Royal Military Academy and Royal Military College, application should be made to the Secretary, Civil Service Commission.

6. The number of Paymaster Cadets to be entered at each examination will be regulated by the requirements of the Service.

7. A candidate must be of pure European descent and the son either—

(1) of natural born British subjects, or
(2) of parents naturalised in the United Kingdom.

If any doubt arises upon this question the burden of clear proof that he is qualified will rest upon the candidate himself.

8. Candidates who may be successful at the educational examination will be required to pass the medical examination, according to the prescribed regulations, before the Medical Director General of the Navy, and must be found physically fit for the Royal Navy.

† Following the Army Regulations a Candidate may say that if he is not among the first two many successful competitors for the Royal Military Academy or the Royal Military College (as the case may be) he will elect for a Paymaster Cadetship.

They must be in good health and free from any physical defect likely to interfere with the efficient discharge of his duties, from any predisposition to any chronic or hereditary disease, or weakness of any kind, and in all respects well developed and active for his age. The cases of short-sighted candidates, in other respects fit, will be specially considered.

A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director General of the Medical Department of the Navy, a Physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of fifty guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired intimation must be made by the parent or guardian to the Director General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for fifty guineas made payable to the Accountant General of the Navy.

With a view to preventing candidates who may be physically unfit for His Majesty's service from incurring the inconvenience and expense of preparing for commissions in Royal Navy, it is suggested that they should undergo examination by the medical adviser of the family, or by any other qualified medical practitioner. A list of the defects which cause rejection appears on page 2340 d.

It is to be understood that this private examination is merely suggested as a guide for intending candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular official Physical Examination.

9. Candidates if nominated will be required to forward to the Secretary of the Admiralty (C. W. Branch) a certificate of ability to swim.

10. Candidates will be examined in all the following subjects in Class I., and in any two of the subjects in Class II., and they will be required to obtain a satisfactory standard in Elementary Mathematics and such an aggregate of marks in the examination as a whole as will satisfy the Civil Service Commissioners.

(Class I.	Marks.
(1) English	2,000
(2) English History and Geography ..	2,000
(3) Mathematics A (Elementary) ..	2,000
(4) French or German	2,000
Class II.	
(a) A second modern language ..	2,000
(b) Latin	2,000
(c) Greek	2,000
(d) Either Physics and Chemistry or General Science	2,000
(e) Mathematics B (Intermediate) ..	2,000

The second modern language selected by a candidate under Class II must be different from that selected by him under Class I., and if it is other than French or German the written consent of the Admiralty must be obtained by the candidate at the time of his nomination.

The syllabus of the examination will be the syllabus prescribed for the Army Entrance Examination, a copy of which may be obtained on application to the Secretary, Civil Service Commission.

The possession of Army Certificate "A," whether obtained in the Officers' Training Corps or not, will entitle the holder to receive, as additional marks, the marks obtained in the examination for that certificate.

Digitized by Google

To qualify a candidate who is not a member of the Officers' Training Corps to take examination for Certificate "A" he must have been for at least two years in his present school or have served for at least two years in a recognised Territorial Force Unit on the 1st October, immediately preceding the date of the written examination (Part II) for the certificate in question.

11. All candidates will be required to bear their own travelling and subsistence expenses in connection with interviews and educational and medical examinations, and on first joining the service in the event of their receiving an appointment as Paymaster Cadet.

12. The employment of an Accountant Officer, R.N., falls into two broad divisions which are interchangeable according to circumstances of service and selection, viz.:—

a. Cash and charge of Accounts of the Victualling and Clothing Stores of the Ship's Company.

b. Secretarial Duties on the Staff of a Flag or Senior Officer, or elsewhere.

The duties at (a) are those which an Accountant Officer normally fulfils. Those at (b) depend primarily on selection by a Flag Officer and appointment to his Staff, and carry additional emoluments.

It is desirable that the parents or guardians of an Accountant Officer should be prepared to assist him pecuniarily to the extent of £50 on his promotion to the rank of Paymaster Sub-Lieutenant, at about 21 years of age, to enable him to obtain the uniform and other gear necessary for a Commissioned Officer.

---

‡ Candidates who are ex-Dartmouth Cadets who have been withdrawn from the Royal Navy, other than those withdrawn for insufficient progress, unsatisfactory conduct, or as being unsuitable for the Naval Service, and who by reason of their services at the Royal Naval College are unable to qualify for the award of additional marks for Military efficiency, may, at the discretion of the Lords Commissioners of the Admiralty, be allowed 400 additional marks at the examination if they completed the full College Course. If the full course had not been completed at the time of withdrawal, 50 marks will be deducted for each term or part of a term sacrificed.

Admiralty, S.W.,
November, 1922.

1. Vacancies for appointments as Apprentices to the various trades (including Shipwrights, Engine, Ship and Electrical Fitters, Boilermakers, Coppersmiths, Founders, Joiners, Painters, Patternmakers, Plumbers, Ropemakers, Sailmakers, Smiths, &c.) in His Majesty's Dockyards at Chatham, Sheerness, Portsmouth, Devonport, Pembroke, and Rosyth are open to public competition, and examinations for these appointments are held in April in each year (see par. 6). The number of vacancies in the respective trades in each Dockyard will be fixed before each examination, but no undertaking is given that any apprenticeship will be offered for any of the above-named Dockyards or in any trade.

2. The Lists of Candidates for these appointments are kept at the office of the Civil Service Commissioners. All applications for the Forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, W.*, only after the first of January in each year. Care must be taken that the Forms when filled up reach the *Civil Service Commissioners* on or before the 1st March *following* (or if that date should fall upon a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), as no action will be taken on Forms received after that date.

No Candidate will be allowed to compete at any one examination for entry as an Apprentice at more than one Dockyard.

3. *Special Entry by Nomination.*—A limited number of vacancies for Apprentices will be reserved annually at the several Dockyards for candidates nominated by the Admiralty on the recommendation of the Superintendents of the Home Dockyards.

These nominations will be confined to the sons of those who have claims on account of service in the Royal Navy, Army, Royal Marines or Royal Air Force or in civilian employment in Naval Establishments.

Applications for such nominations should be made to the Superintendent of the Dockyard in which the candidate desires to be entered, not later than the 1st January in each year.

The Candidates who are recommended for nomination will be required to compete at the open competitive examination in the ordinary way and the nominations will be awarded by the Admiralty to those recommended candidates who are placed highest on the examination list in order of merit in the respective Dockyards (excluding those who are successful in the open competition).

Nominations will not be awarded to candidates who obtain less than 700 marks at the competitive examination.

Nominated candidates will be required to satisfy the conditions in regard to age, physical fitness, etc., laid down for candidates at the open competitive examinations.

4. *Age and Character.*—The Candidates, who must be natural-born British subjects and the sons of fathers also natural-born British subjects, must be *not less than Fifteen nor more than Seventeen years of age on the first day of August in the year in which they are examined.** Evidence of age and character will not be required before the examination. PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

(These regulations are under revision).

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the attached table, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that on which their husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. His Majesty's Orders in Council increasing rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently hereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorised by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

The Widows of Naval Officers placed on permanent Half Pay or on the Retired or Pension List, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years counting towards retirement or pension, may at the discretion of the Admiralty be granted pensions, provided that a deduction of not less than 10 per cent. shall have been made from the Retired Pay or Pensions to which, but for their misconduct, these Officers would have been entitled. In such cases the Widow's Pension will be reduced by half the percentage by which the husband's Retired Pay or Pension has been reduced.

Widows of retired Officers, or others formerly in the Royal Navy, having been allowed to resign their Commissions, who have been called out or have volunteered for service in case of war or emergency and have lost their lives from causes attributable to the Service, may be allowed pensions, and their Children Compassionate Allowances on the special scale applicable to the rank held by the Officer at the time of his death, notwithstanding that he may have married whilst on the Retired List or after resignation of his Commission, and subject to the provisions of the Commutation Acts of 1871 and 1882.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years except Commissioned Officers from Warrant Rank, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign state unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenant-Commanders or Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

Note.—Widows of Officers married after partial commutation will only be granted a proportion of the pension for which they would otherwise have been eligible.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 1st November 1886, and is not to apply to Widows of Retired Officers or others called out or volunteering in case of war or emergency, who lose their lives from causes attributable to the Service.

xi. If her husband, being a Medical or Dental Officer, should retire or withdraw upon a gratuity.

8. The pensions of Widows whose private incomes may, after their pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 1st November 1886, are only entitled to the Pensions of their respective classes, in the event of their husbands having 10 complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of his duty. If, however, the Officer has five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service as Commissioned Officer on the Active List will not apply to Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

(b) Lieutenants, Engineer Lieutenants and Shipwright Lieutenants promoted to that rank from Commissioned Officers from Warrant Rank or Warrant Officer.

The Widow of a Mate, Commissioned Officer from Warrant Rank, Divisional Chief Officer of Coast Guard, or Chief Officer of an R.N.R. Battery, is only entitled to the rates applicable to Seamen's Widows, and her Husband must have had one year's service in the rank, or should his death have been attributable to the service; otherwise the rates applicable to Warrant Officers or to Chief Officers of Coast Guard Stations will be awarded.

The Widow of a Warrant Officer or Chief Officer of a Coast Guard Station with less than one year's service acting time, if any, in that rank and confirmed in the rank, is not eligible for a Pension unless the Officer's death is attributable to the Service.

The Widow of a Head Schoolmaster who has been killed in action, or who has died from injuries received in action within 3 years of the wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incidental to active operations of war against an enemy, within 3 years of the having been first certified to the Admiralty that all accounts of not less than one year's service as Assistant Warrant Officer at the time of his death, shall be granted a Pension, provided the marriage took place before the Officer attained the Age of 55 years, and the Wife is certified as being left in necessitous circumstances and subject to the conditions in 13 and 17 for the Pensions of other Officers' Widows, so far as they apply. The foregoing provisions are not applicable to Head Schoolmasters pensioned on or after the 16th January, 1911.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have become subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 15th November, 1905, that the marriage took place before the Officer left the Active List.

12. In all cases of a Widow re-marrying, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private Income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her Husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

If a Widow, in consequence of re-marriage with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given, or a Decree of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only entitled to the Pension applicable to their own rank at the time of the death of their Husbands at the date when they were last on the Active List, except in the case of (1) Captains who were advanced to the rank of Flag Officer while on the Retired List and who were Retired or Married before the 1st November, 1905, whose Widows are entitled as the Widows of Flag Officers, and (2) Commissioned Officers from Warrant Ranks retired after 1st April, 1907, with the substantive honorary or relative rank of Lieutenant, Carpenter Lieutenant, or Engineer Lieutenant, whose Widows are pensioned as the Widows of Junior Lieutenants.

16. Children of Officers.—(1) Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, Commissioned Officers from Warrant rank and Warrant Officers may be given in those cases in which the rank of the Officer would render the Widow eligible to be placed on the Rates on List; provided it be shown that the Children have neither Allowance, Pension, or Provision from the Government, except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy, and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

2. The scale of Compassionate Allowances for Children of Officers is laid down in the foregoing Table.

3. When a Medical Officer retires, or withdraws on a gratuity, his Children will have no claim to Compassionate Allowance.

17. The Allowances granted to the Sons of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry, or attain the *Age of Twenty one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances, the allowance may be continued, or revived should any break of continuity from under age have occurred.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of Allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowance would cease.

18. Children who are being educated at the expense of Greenwich Hospital may be granted the Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

19. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

20. Allowances to Children are payable from the date following that of the Officer's death to the 31st March next ensuing, and subsequent payments are made yearly in advance from 1st April in each year.

21. Children who were born after their Fathers commuted their Retired Pay are not eligible to be placed on the Compassionate List. Children born after partial commutation will only be granted a proportion of the Allowances for which they would otherwise have been eligible.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to Officers who have commanded ships in action against the enemy.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirement shall have taken place after attaining Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half pay of an Admiral of the Fleet.

In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to receive their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

TRAVERS PENSIONS.

At the Court at Windsor,
The 3rd day of March, 1864.

Present,

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd day of February, 1864, in the words following, viz.:—

"Whereas by the Naval Knights of Windsor Dissolution Act, 1862, it is enacted among other things that the Admiralty shall after deducting the necessary and proper expenses of the management of the property transferred to the Admiralty by virtue of that Act, apply the income of the property in granting such Pensions to Retired Officers of the rank of Lieutenant in the Navy, or to Officers of the Navy who have retired from the Active List of Lieutenants with the rank of Commander in the Navy, and under such conditions as Your Majesty may from time to time by Order in Council direct, and that such Pensions shall be distinguished as Travers Pensions:

"And whereas it appears to us that as funds are now available it is desirable to establish such Pensions:

"We would humbly beg leave to recommend that Your Majesty may be graciously pleased by Your Order in Council to authorise us to establish such number of Pensions of £75 per annum each as the available funds accruing from the income of the property transferred to the Admiralty under the said Act may admit of:

"We further beg leave to recommend to Your Majesty:

"(1.) That the Pensions so established may be awarded at our discretion to the Senior Pension holders on the Greenwich Hospital and Naval Pension List who are retired Officers of the rank of Lieutenant in the Navy, or Officers of the Navy who have retired from the Active List of Lieutenants with the rank of Commander, or to such other Retired Officers of these ranks as may appear to us to be best qualified to receive them, having regard to their long and faithful services:

"(2.) That no Officer shall hold a Travers Pension and a Greenwich Hospital or Naval Pension at the same time:

"(3.) That such Pensions shall be known as Travers Pensions."

HER MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PENSIONS TO SEAMEN AND MARINES.

The following information, extracted from the Regulations as to Pensions, is published for information, but it must be understood that all pensions, &c., are given at the discretion of the Admiralty, or, in the case of Disablement or Injury Pensions, administered by the Ministry of Pensions, of the Minister of Pensions, and that no man has any right to pension on account of apparent eligibility under the rules herein published.

NAVAL PENSIONS.

Long Service Pensions are granted to Continuous Service Men and Officer's Stewards and Cooks after 22 years' service from the age of 18; to Royal Marines after 21 years' service from the age of 18; to other Men after 22 years' service from the age of 20.

The following scale is adopted in awarding the *ordinary* Amount of Long Service Pensions to Petty Officers and Seamen of the Fleet and to Royal Marines:—

	s. d.	
1. Men to whom only the Ordinary Pension is awarded	0 1½	a day for each year of service.
2. For each good conduct badge (up to a maximum of 3d.)	0 1	a day In addition.
3. Men whose character for the whole period of their service is recorded as "*very good*"	0 1	.. In addition.
4. Men to whom the Good Conduct Medal is awarded	0 2	.. In addition.
5. For each year of pensionable service after completing time for Pension	0 1½	a day.
Petty Officers, in addition to the Rates of Pension awarded them as seamen, are allowed *for each year's service* in the capacity of *superior* Petty Officer	15 2	a year.†
Inferior ditto ("Second Class Petty Officer" or a rating ranking as Leading Seaman.)	7 7	a year.†
Chief Petty Officers are granted in addition, for each year served in that capacity subsequent to the completion of the first period of Continuous Engagement ..	15 2	a year.

The system on which Naval and Marine Pensions are based is the same. Colour-Sergeants and equivalent ranks count time as Chief Petty Officers; Sergeants as Petty Officers; Corporals and also Gunners, Privates, Musicians and Buglers, after five years' service on the recognized establishment of a divisional or depôt band, as Leading Seamen; other Marines as Able Seamen.

Where a man has received an injury on duty not incapacitating him for service, a small addition can be made to his long-service pension, or a gratuity may be awarded.

The time during which a man may have borne an indifferent or bad character is forfeited.

Men discharged the Service on account of injuries and wounds attributable to the Service, but not due to the Great War, receive compensation in the form of pensions either for life or for a limited period, or gratuities, at the discretion of the Admiralty, according to the following scales:—

† These rates are doubled for Petty Time with very good character in the case of continuous service Petty Officers, provided they shall have served for one continuous period of not less than TEN YEARS, and shall be discharged to pension from continuous service with the rating of Petty Officers, or with a rating ranking as Leading Seaman.

The compensation is based on length of service and degree of disablement, and when a pension is admissible, will include the usual additions for rank, good conduct badges and medal.

SERVICE ELEMENT.

(a) *Pensions*—

*Over 10 years' service, 1s. a day for life.
Over 14 years' service, 1s. 6d. a day for life.
Over 16 years' service, 1s. 9d. a day for life.
Over 18 years' service, 2s. a day for life.
Over 20 years' service, 2s. 6d. a day for life.

If qualified for the award of a long service pension, 1½d. a day for each complete year of pensionable service.

(b) *Gratuities.*—Men discharged with less than the qualifying period of service required for the award of a life pension are eligible for the grant of a gratuity not exceeding £2 for each completed year of pensionable service.

DISABLEMENT ELEMENT.

(a) *Pensions.*—Where the degree of disablement is assessed at 20 per cent. and upwards, pensions may be awarded either temporarily, or permanently according to the circumstances of the case, on the basis of a maximum scale of 37s. 6d. per week for total disablement (100 per cent.), lower degrees of disablement carrying proportionately reduced rates.

(b) *Gratuities.*—If the degree of disablement be assessed at less than 20 per cent., a gratuity appropriate to the degree of disability, but not exceeding a maximun of £100, may be awarded. Gratuities may also be granted in respect of slight permanent injury due to the Service for which a Hurt Certificate was granted, when discharge is totally unconnected with the injury, and the pension or gratuity awarded is based on length of service only.

RANK ELEMENT.

This element comprises the allowance for petty time as laid down in Articles 1938, Clause 1, and 1931, Clause 1, of the King's Regulations and Admiralty Instructions, and the usual additions for good conduct badges and medal as allowed under the Long Service Scale.

METHOD OF COMBINING THE SERVICE, DISABLEMENT AND RANK ELEMENTS.

Men eligible for pensions in respect of both the Service and Disablement Elements will be granted the larger amount in full, and one half of the other: the total so arrived at will be increased by the addition of the Rank Element.

Men eligible for a pension in respect of the Service Element and for a gratuity on the ground of Disablement, or vice versa, will have their pensions assessed on the appropriate Service or Disablement scales, plus the Rank Element, and will receive payment in full, in addition to the Disablement or Service gratuity appropriate to their case.

Men eligible for gratuities only in respect of both the Service and the Disablement Elements will receive payment in full.

* This rate is restricted to certain men who entered the Service under Continuous Service conditions prior to 1st October, 1921.

SCALE OF PENSIONS AND GRATUITIES TO ACCRUE WHEN THE CAUSE OF INVALIDING IS NOT ATTRIBUTABLE TO THE SERVICE.

TABLE TO BE READ WITH

The compensation is based on the length of service and, when again on the list, counts with previous service. Local allowances for living abroad are extra, and are not included.

(a) *Pensions* –

Over 12 years' service, 1s a day for life.
Over 14 years' service 1s 6d a day for life.
Over 16 years' service, 2s a day for life.
Over 18 years' service, 2s 6d a day for life.
Over 20 years' service, 3s 6d a day for life.

If qualified for the award of a Long Service Pension, 1s 6d a day for each complete year of pensionable service.

The usual additions will be made for good conduct badges and medals allowed under the Long Service scale and for petty time as laid down in Articles 1238, Clause 1, and 1239, Clause 4, of the King's Regulations and Admiralty Instructions.

(b) *Gratuities* – Men discharged with less than the qualifying period of service required for the award of a life pension will be eligible for the grant of a gratuity of £3, plus an additional £1 for every ten degrees of disability in excess of 20 per cent. in respect of each complete year of service.

The foregoing scales are applicable to the persons referred to in Articles 1184 A (1) (a), Clause 1, of the King's Regulations and Admiralty Instructions, with the exception of those entitled as regards pensions attributable to military service, provided that the wound or injury or disability is not due to negligence or misconduct on the part of the man, or to his want of proper care. In the latter cases, pension or gratuity may be withheld at Admiralty discretion, or awarded at such reduced rate as may be thought fit.

The disability scales will be subject to reduction at the discretion of the Admiralty in the event of the cost of living falling considerably below the present level. Such reduction, if made, will apply to all such pensions which are being drawn at the date of reduction, as well as to future grants.

Where a seaman or marine is injured in such circumstances that a pension, allowance or grant is payable to or in respect of him under these Regulations, and where he receives compensation from or on behalf of the person alleged to be responsible for the act or omission which caused the injury, any such compensation may be taken into consideration in assessing any pension, allowance, or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled accordingly.

In the case of non-European Native ratings who *are eligible for the award of pensions under existing Regulations*, i.e., entrants *before* 1st January 1924, the basic rate of long service pension is 1s a day for each complete year of pensionable service. In the event of discharge by invaliding the disability pension or gratuity is based on one-half of the rates allowable to Europeans discharged in similar circumstances.

The award of compensation to Native ratings *entered on or after* 1st January, 1924, who may be invalided on account of injury or disability attributable to the conditions of service will be specially considered as and when they arise.

The following special scale of pension is applicable to Officers' Steward and Cook ratings who may be invalided from the Royal Navy for causes not attributable to the conditions of service, and who have no service in sea-going ships in commission: –

		s.	d.	
Service 14 to 17 years.		1	6	a day for life.
,, 18 to 21	,,	1	9	,, ,,
,, 22 to 26	,,	2	0	,, ,,
,, 26 to 29	,,	2	6	,, ,,

*This rate is restricted to certain men who entered the Service under Continuous Service conditions prior to 1st October, 1921.

Together with these allowances, Good Conduct Badges and Medals allowed under the Long Service scale and for petty time as laid down in Articles 1238, Clause 1, and 1239, Clause 4, of the King's Regulations and Admiralty Instructions.

In the case of such Officers' Stewards and Cooks who have no service in sea-going ships in commission who may be totally disabled attributable to the conditions of service the foregoing scale will be regarded as a substitute for the "Service Element" scale laid down in paragraph 7, page 2370.

A seaman discharged as medically unfit, or who after discharge suffers from disablement, such disablement being neither attributable to or aggravated by service during the Great War, and not liable to be set up on account of misconduct, may be granted by the Ministry of Pensions a minimum pension at the rates shown in the Schedule on page 2373, or, in the case of injury not shown therein, of disease, at the rate which is estimated to represent the extent of disablement.

The allowances for Badges, Medal and Petty Time are given as in the case of Long Service Pensions, and local additional allowance is given for service as follows –

	s.	d.	
Men of 6 years' service and under 12 years	1	0	a week
Men of 12 years' service and under 14 years	2	0	,,
Men of 14 years' service and under 21 years	3	0	,,
Men of 21 years' service and under 25 years	4	0	,,
Men of 25 years' service and over	5	0	,,

A man invalided in the second engagement, or after 10 years consecutive service on the Continuous Service system, and eligible for life pension in respect of his service is entitled in addition to pension for war disablement, to allowances for service instead of the above scale on the following scale: –

	s.	d.	
For over 12 years' service. (C.S. Men only)	7	0	per week
For over 14 years' ,, ,,	8	0	,,
,, ,, 16 ,, ,,	9	0	,,
,, ,, 18 ,, ,,	10	0	,,
,, ,, 20 ,, ,,	11	0	,,

so long as the pension for war disablement is continued. On the war disablement pension ceasing or the degree of disablement falling below 20 per cent., a life pension is awarded at the following rates: –

	s.	d.	
For over 10 years' service. (C.S. Men only)	7	0	per week
For over 14 years' ,, ,,	10	6	,,
,, ,, 16 ,, ,,	12	3	,,
,, ,, 18 ,, ,,	14	0	,,
,, ,, 20 ,, ,,	17	6	,,

Subject to certain conditions additions are made in respect of wife, and also children under the age of 16, at such proportion of the following weekly rates as corresponds to the degree of disablement at which the man is assessed for pension: –

	s.	d.	
For wife or 1st child when no wife's allowance is granted	10	0	per week
For 1st child when wife's allowance is granted or 2nd child when no wife's allowance is granted	7	6	,,
For each additional child	6	0	,,

Special allowances may be given in cases in which treatment in a Sanatorium or other Institution, or training in a Technical Institution or otherwise, is deemed advisable, or in which the constant attendance of a second person is necessary.

Gratuities may be given where a man's disablement is assessed at less than 20 per cent.

DECORATION FOR OFFICERS OF THE

ROYAL NAVAL VOLUNTEER RESERVE.

HIS MAJESTY THE KING has been graciously pleased to approve of the institution of a Decoration for Commissioned Officers of the Royal Naval Volunteer Reserve, under the following regulations:—

1. Volunteer Officers having 20 years' service (which need not be continuous) may be granted a decoration designated "The Volunteer Officers' Decoration." Honorary Service will not be allowed to count except as provided in clause (d) with regard to Chaplains already serving. The following will be allowed to reckon towards the 20 years.

(a.) All service over 17 years of age as a Midshipman and all commissioned service in the Royal Naval Volunteer Reserve or in the disbanded Royal Naval Artillery Volunteers, and all commissioned service in the Army, Volunteer, or Territorial Force.

(b.) Half the time served as a Petty Officer or man of the Royal Naval Volunteer Reserve, in the ranks of the late Royal Naval Artillery Volunteers, or of the Army, Volunteer, or Territorial Force, and

(c.) All previous service qualifying for the Colonial Auxiliary Forces Officers' Decoration, provided that at least 10 years' qualifying service has been spent in the Royal Naval Volunteer Reserve or Royal Naval Artillery Volunteers or the Army, Volunteer, or Territorial Force of Great Britain.

(d) Chaplains will be eligible for the decoration, this being retrospective to the date of entry in the case of Chaplains already serving in the R.N.V.R

2. Officers who belonged to the R.N.R., R.N.V.R., and R.N.A.S.B.R. on 4th August, 1914 may be allowed to count mobilised time from that date to the date of demobilisation as double in the case of Officers' time, or full in the case of man's time, for the purpose of reckoning eligibility for this decoration.

3. Those serving as indicated in clause 2, who may subsequently have performed war service in any other branch of the Naval Forces (including that under special Naval engagements, T. 124 and its variants), or the Army or the Royal Air Force, may similarly count such war service as double or full time respectively.

4. Full actual mobilised time qualifying as above for the R.N.V.R. Medal shall be allowed to reckon as qualifying service for the R.N.V.R. Officers' Decoration instead of half such time under peace conditions.

5. The requirement that the last five years' qualifying service must be in the R.N.V.R. is abrogated in the case of those coming under the foregoing concessions.

6. An officer who has previously been granted the R.N.V.R. Medal, and is subsequently granted the V.D., may wear both medal and decoration.

7. Officers and men who transfer to the R.N.V.R. from the Territorial Force before completing time for the T.F. Decoration or Medal and have not qualified for either in respect of service during the war, may be allowed to reckon any period counting towards those decorations for the V.D. or R.N.V.R. Medal, provided the last five actual years have been served in the R.N.V.R.

8. Applications for his Decoration are to be made in writing by the Commanding Officer of each Division, and each case is to be supported by a statement of the applicant's service on Form R.N.V. 11. The Decoration being granted as a reward for good and long services Commanding Officers should in each case state in general terms the reasons which, in their opinion, give the applicant a claim to receive the decoration. Commanding Officers will forward their recommendations to the Admiral Commanding Coast Guard and Reserves for the consideration of the Admiralty, and the decoration if awarded will be issued from the branch of the two services in which the Officer shall have served the greater portion of his last ten years of qualifying service.

9. The letters "V.D." will be inserted in the Navy List against the name of the Officer to whom the decoration is given.

10. Any Officer on whom this Decoration has been conferred may be deprived of it, with the King's approval, if convicted of any act derogatory to his honour as an Officer or a gentleman.

REGULATIONS RESPECTING THE
LONG SERVICE AND GOOD CONDUCT MEDAL
FOR
THE ROYAL NAVAL RESERVE.

1. The Medal may be granted to all men enrolled for the first time in the Royal Naval Reserve on or after the 1st April 1908 who have completed [illegible] years' service with "very good" conduct (Naval time counted if they have entered the Naval Reserve direct, and their character has never been assessed below "very good" during the period of training for their service).

2. The Medal may also be granted to other Royal Naval Reserve men who have completed [illegible] years' service with "very good" conduct during the period of training for their service (Naval time counted if they have entered the Naval Reserve direct, and their character has never been assessed below "very good" during the period of training for their service).

3. To entitle a man of the Royal Naval Reserve to a Medal, he must have been recommended for the award by the Registrar General of Shipping and Seamen.

4. Time served in the Royal Navy as an officer or seaman or as a member of the R.N.R. without the above-mentioned two years' or three years' service, as regards Royal Naval Reserve men transferred to the Coast Guard, may be counted, if the two years' service ought in order to qualify for the Naval Long Service and Good Conduct Medal be completed.

5. Men who belonged to the R.N.R. on the 4th August, 1914 may be allowed to count the time from that date to the date of their discharge as double for the purpose of reckoning eligibility for the Medal.

6. Those serving as above who may subsequently have performed war service in any other branch of the Naval Forces (including that under special Naval or Fleet Reserve Regulations, T. 124 and its variations), or the Army or Royal Air Force, may similarly count such war service as double time.

7. The requirements in clauses (1) and (2) that the fourth period of re-enrolment must have been entered, are abrogated in the case of those coming under the foregoing provisions in clauses 5 and 6.

8. Men who have been granted the R.N.R. Long Service and Good Conduct Medal, and who have served for a further period which would have again qualified them for an award of a medal, may be awarded a clasp to the original medal.

9. The Medal may be granted to a Commissioned Officer who has served as a Warrant Officer, Petty Officer or man in the R.N.R., on completion of 15 years' combined service, but time reckoning for the Medal cannot also be counted for the Reserve Decoration.

10. Form of application R.V. 24, which provides for a record of character of officers serving should be completed by the Commanding Officer of the Naval Reserve of the force to which it belongs, and forwarded to the Admiralty (Commander-in-Chief, Coast Guard and Naval Reserves), who will determine how, if at all, the service is to be counted for the Medal.

11. When the conduct of a man enrolled after he has been awarded the Medal is unsatisfactory, he may be deprived of it by the Admiralty on the recommendation of the Commanding Officer. The decision will be reported to the Admiralty.

12. A minimum period of three years' "V.G." conduct is required for restoration of the Medal, and a medal which has been forfeited for misconduct may be restored on the man's declaration from the Reserve at the discretion of the Admiral Commanding, provided the above condition has been fulfilled. Should the man, however, complete five years' "V.G." conduct before he is discharged, the Medal may be recorded on completion of that period under Article 228, chapter 7, King's Regulations, at the discretion of the Admiral Commanding.

13. When it is desired to replace a Medal which has been accidentally lost, the man to whom the Medal was first issued must make a declaration before a Magistrate or Registrar of Royal Naval Reserves stating the circumstances in which the loss occurred, together with his rank, name, and R.V. 2 number. The declaration will be sent to the Admiralty through the Registrar General and the Medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

GOOD CONDUCT MEDAL AND GRATUITY.

NOTE.—The revised regulations governing the award of Good Conduct Medals and Gratuities to Seamen and Marines will be promulgated as early as practicable. The principal alterations have reference to Gratuity, provision having been made for the payment of a Good Conduct Gratuity of £20 at the time of award of the Medal to Continuous Service Seamen, Officers' Stewards and Cooks, and Marines, irrespective of rank, serving in the Royal Navy or Royal Marines on and after the 1st May, 1919, and not pensioned as from a prior date.

As from the date of the award of the Medal, an additional gratuity can also be earned at the rate of £1 a year for each complete year of subsequent qualifying service with V.G. character, the amount so accruing being paid in a lump sum on promotion to *confirmed* Warrant Rank, or on discharge to pension.

Extracts from the King's Regulations and Admiralty Instructions.

SEAMEN.

750. Men holding any of the Ratings specified as eligible for these awards in Appendix XV., Part I. who entered the Service prior to 1st January, 1885, and to whom they are still applicable, may be recommended for the Good Conduct Medal and Gratuity, under the following special rules. Pensioners coming under these conditions who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity

2. To entitle a man to a Medal—

(a.) He must have served for 10 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension;

(b.) He must have been recommended for it on his Service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. After a man has been awarded seven years of such continuous "Very Good" character as will under these Regulations count towards the Medal, and should his character continue to be "Very Good," the Captain will add to the character of "Very Good" given on his Service Certificate, whenever he is required to record it, the letters R.M. (Recommended for Medal), if he should consider him deserving thereof from his invariable very good conduct and exemplary manner of performing his duties. After 12 years of such "Very Good" character, the Captain will in like manner add the letters G.R. (Gratuity Recommended).

4. Desertion, reduction to the Second Class for conduct, imprisonment, detention, or the award of character less than "Good" during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 5 and 6 of this Article and Clause 4 of Art. 751.

5. Exceptional cases. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a "Very Good" character, the Admiralty will consider, with reference to the grant of a Medal without Gratuity, the case of any man who can show 15 years of continuous "Very Good" character, and who has been recommended as prescribed in Clause 2, Sub-Clause (b), of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except "Bad" or "Indifferent," in his previous service.

6. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

7. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

8. To entitle a man to a Gratuity —

(a.) He must have served for 15 years with continuous "Very Good" character, and must never previously have been awarded a character below "Very Good," unless for a period not exceeding one year in his first five years reckoning for pension.

(b.) He must have been awarded the Medal and have never forfeited it.

(c.) He must have been recommended for the Gratuity on his Service Certificate for the three consecutive years immediately preceding his application.

(d.) He must have been continuously awarded the character "Very Good" since he received the Medal.

(e.) He must have completed time for Long Service Pension unless previously invalided, and must be recommended for the Gratuity by the Captain under whom he is serving at the time of application.

9. The scale for Gratuities shall be as follows:—

Chief Petty Officers, having served as Chief and First Class Petty Officers (OS) or Petty Officers (NS) for not less than 10 years	£

	£
Petty Officer (NS) having served as such or as First Class Petty Officer for not less than 1 year	12

Leading Seaman, having served as such for not less than five years	7
Able Seamen, and others	5

10. In cases where the man recommended may not have served the full period to entitle him to the gratuity applicable to his rating, he shall receive such lower rate, with reference to the recommendation in several respects, as to the opinion of the Admiralty, it may be proper to award him.

11. If a man should forfeit or relinquish gratuitably to which he may be entitled by this Article, by his own act, or next of kin if the case be, is provided he shall have completed time for full Service Pension.

12. Clauses 6, 8, and 11 to 22, of Article 7 1, are applicable to men who joined the Service before 1st January, 1883.

7st. Men holding any of the Ratings specified as eligible for the Good Conduct Medal in Appendix XV., Part I. who entered the service after 31st December, 1884, may be recommended for the award under the following rules:—

Note.—This also applies to all boys who were under the age of 18 on 31st December 1884.

2. To entitle a man to a Medal—

(a.) He must have served full 15 years with continuous "Very Good" character," and with previous character not inferior to "Good," in service reckoning for pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, the reckoning for Medal will not commence until the 1st January following.

(b.) He must have been recommended for the award by his Captain on his service Certificate for the three consecutive years immediately preceding his application.

(c.) He must be recommended by the Captain under whom he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain, if he considers him deserving thereof, is to enter on his Conduct Sheet or service Certificate the notations of the recommendations provided for under Arts. 528 and 530, Clause 3.

4. Desertion or Reduction to the Second Class for Conduct will render a man absolutely ineligible for the award of a Good Conduct Medal, except one reduction within the first five years of a man's time, provided that by his good conduct he earned his restoration to the First Class within 4 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a man's conduct should not have been satisfactory during the interval between the presentation of the Medal, it is to be withheld, & the particulars of the case reported to the Admiralty.

8. From the date of the award of restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Good Conduct Gratuity at the rate of £1 a year which is not to be paid until the completion of time for Pension. If invalided before completion time for pension, he will be paid £1 for each completed year (if the) as served since the Medal was awarded or restored.

For each year's service in the following ratings, after the date of the award of the Medal, will be allotted—

	£	s.	d.
To Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (NS) ..	2	0	0
" 2nd Class Petty Officer (NS) and men of Leading Seaman's rate, with over 3 years' service as such	1	0	0

until the maximum is reached, which will be, for a—

	£	s.	d.
Chief Petty Officer, Petty Officer (NS) and 1st Class Petty Officer (NS) ..	18	0	0
2nd Class Petty Officer (NS) and men of Leading Seaman's rate, with over 3 years' service as such	10	0	
Leading Seaman, except as above ..	7	10	0
Able Seaman	5	0	0

9. If it is desired that men who have received Medals should also be given Gratuities, separate applications must be made for the latter on the men becoming eligible for the award.

9. If a man is awarded the character of "Good," instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

10. If a man is deprived of his Medal, he will lose all claim to Gratuity; in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5l. will be awarded.

11. If a man is invalided after having been awarded the Medal, and before completion of the full time for Pension, he will be awarded the amount of Gratuity in accordance with Clause 7 of this Article.

12. If a man should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

13. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a gratuity.

14. In cases where men who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

15. Men who have been paid the Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become eligible by

further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same man.

16. In the case of a man who has been paid Gratuity after completing time for Pension, and whose Pension is not secured to him under Art. 1946, Clause 2, the Gratuity paid will be recovered from his Naval Pension if he misconducts himself during subsequent service and becomes ineligible for the award on final discharge; but in the case of a man whose Pension is secured, only so much of the Gratuity as may have been earned by service in excess of 22 years will be recovered.

17. In all these cases if the Captain should see fit to withhold the required recommendation for Medal or Gratuity he will fully record in the Conduct Book his reason for so doing and draw a line across the "R.M.G." column of the man's Service Certificate or the corresponding column of his Conduct Sheet (form S.239a).

18. No service can reckon for Medal or Gratuity which does not reckon for Pension, but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for Pension under Article 1934, Clause 4, will not be debarred from an award of the Medal if otherwise eligible.

19. Imprisonment by the Civil Power shall not prejudice a man's claim to a Medal or Gratuity unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

20. A break in service not due to desertion, dismissal, sentence of imprisonment or detention or other misconduct on the Man's part will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal or Gratuity, provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

21. Names of Men recommended for Medals and Gratuities are to be transmitted to the Admiralty so soon as the Men become eligible for them, on Form S. 218, accompanied by their Service Certificate, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and by the District Captains of Coast Guard, and when the approval of the Admiralty has been received, the Medals are if possible to be presented before the Ship's company by the Captain of the Ship.

a. He must have served for 15 years with continuous "Very Good" character, with previous character not inferior to "Good" in service reckoning for Pension.

Note.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

b. He must have been recommended for the award by the Captain of his Ship, or by the Commandant of his Division on his Service Certificate for the three consecutive years immediately preceding his application.

c. He must be recommended by the Captain of the Ship or Commandant of his Division under whom he is serving when he becomes eligible.

3. After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Company Conduct Sheet or Certificate the recommendations provided for under Arts. 828 and 830.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." See Clause 2 (a).

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

9. From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of £1 a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid it, for each completed year that he has served since the Medal was awarded or restored.

To this will be added for each year's service in the following ranks or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I. ..	2	0	0
Sergeant in Classes II., III., and IV. ..	1	0	0
Corporal and Bombardier	0	10	0

until the maximum is reached, which will be, for a—

Non-commissioned Officer in Class I. ..	15	0	0
Sergeant in Classes II., III., and IV. ..	10	0	0
Corporal and Bombardier	7	10	0
Gunner, Private, Musician and Bugler	5	0	0

11. If it is desired that Marines who have received Medals should also be given Gratuities, separate applications must be made for the latter, on the Medal becoming forfeited for the award.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the award of a Medal, the period of service during which the character of "Good" is awarded will not count in the reckoning of Gratuity, as they might have by no fault of theirs been deprived of the Medal.

13. If a Marine is forfeited of his Medal, he will lose also all claim to Gratuity, but in the event of the Medal being restored before the expiration of 5 years more than the lowest grade of Gratuity, viz. £5, will be awarded.

14. If a Marine is invalided after having been awarded the Medal, but before the completion of the full time required for the higher grades of Gratuity, he will be awarded the amount of Gratuity to which he may be then entitled by service.

15. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if deprived upon him.

16. Any Marine voluntarily quitting the Service before he is entitled to a Pension will forfeit his claim to a Gratuity.

17. In cases where Marines who have completed time for Pension are sent for a further period of service, and have had their claims for Good Conduct Gratuity forfeited by misconduct during that period, they will be entitled to the Maximum Gratuity, with further service may count towards it, provided they in all respects thereafter comply with the Regulations.

18. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently become entitled by further service to a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate, but in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

19. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

20. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct sheet, and a copy of his record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will similarly record his reasons on Form R. 154.

21. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

22. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

23. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

24. The service of a Marine who reverts to the corps after serving in the Militia Police or Nile Berth Men's Battalion, will not be considered as broken in connection with reference to Medal and Gratuity of Pension.

25. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose time of Army service after 15 years of age is allowed to reckon towards Naval Pension, only such portion of his Army service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be the case if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Record of Services" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for 12 consecutive years after entry into the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of the Article.

26. Names of Marines recommended for Medals or Gratuities are to be transmitted to the Admiralty on Divisional Sheets, specially titled Service Certificates, and returned to the Commandants of Royal Marines Divisions at Home and Abroad, and the Adjutants of Royal Marines Brigade at Malta and Gibraltar, as soon as the Marines become entitled thereto, and when the approval of the Admiralty has been received the Medals are to be presented to the recipients personally by the Captain of the Company, and in the case of Marines on shore by the Commandant on parade.

1193. A sum not exceeding £25 a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding £24, as rewards for distinguished or meritorious service, to be granted either before or after discharge to Sergeants who have completed 21 years' service, or have been granted a Pension on account of hurts received in action, or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its grant; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial, or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 159.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article 778, &c., of the King's Regulations and Admiralty Instructions.

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

Under the Provisions of an Order in Council of the 12th May, 1911, 12th February, 1913, 8th May 1916, 7th February, 1921 and 14th August, 1921.

In order that the State may not lose altogether the advantage which it has the right to expect in connection with the services rendered to it by Officers, a list of Officers of the Royal Navy who, in an Emergency, have resigned their Commissions, is to be formed, and Officers of the Naval Reserves and Officers who have retired from the Active List for private reasons are also entered in the list on their application.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at times of ceremony, but they do not receive pay, or pension, while in civil employment.

If called up for Active Service, Officers on this list, if not employed in their civil capacity, are entitled to receive the rate of Full Pay of the Officers' rank in which they retired, or the rate they were receiving when last on Full Pay, but if employed in their civil capacity they will receive such gratuities only as Officers will not receive if not employed, i.e., will not receive a daily gratuity not exceeding the following amounts:—

When employed on combatant duties.	£
Flag Officers, Commodores, and Officers of the same relative rank	40
Captains and Commanders and Officers of corresponding relative rank	35
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank..	30
Sub-Lieutenants and Officers of corresponding relative rank	25

When employed on non-combatant duties.	£
Flag Officers, Commodores, Captains, Commanders and Officers of the same relative rank	18
Officers of lower rank	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment, equivalent to the difference between the two scales.

Officers promoted after they have been placed on the Emergency List will receive the rate of Full Pay of the higher rank, and those not so promoted the rate they were receiving when last on Full Pay.

They will also be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of hurts received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Emergency Officers voluntarily re-employed (e.g., during annual Manœuvres) will receive in addition to their full pay and allowances of their rank a bonus of 25 per cent for every week of full pay, exclusive of allowances earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his re-appointment and the date of his resignation, and that no allowance will be received by the same Officer within a period of five years:—

	£ s. d.
To all Officers below the rank of Lieutenant	9 0 0
To Lieutenant-Commanders, Lieutenants or Officers of corresponding rank	12 10 0
To Commanders or Officers of corresponding rank	16 10 0

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations:—

(a) The pay is the same as would be given if called out during war or emergency, except the Bonus.

(b) Travelling expenses of Officers attending the Courses are allowed.

(c) Plain clothes may be worn, and no allowance for outfit is given.

(d) Accommodation, when available, will be provided if desired.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering, and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers called from the Emergency List into active service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List.

In special cases Officers may be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment whichmay take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

Officers on the Emergency List are not eligible for promotion when not employed, except as stated below:—

Sub-Lieutenants are eligible, at the discretion of the Admiralty, for promotion to the rank of Lieutenant after attaining three years' seniority or on completion of two years' service after being "called out," including service prior to resignation, whichever is the earlier date.

Sub-Lieutenants who have been or may in future be promoted to Lieutenant on attaining 3 years' seniority to be eligible for the rank of Lieutenant-Commander on attaining 8 years' seniority as Lieutenant, provided they have completed 2 years' service after being "called out," including previous service as Sub-Lieutenant.

Acting Lieutenants (ex Mates) who have not completed their courses for the rank of Lieutenant to be eligiblefor confirmation with their Acting seniority.

Mates to be eligible for promotion to the confirmed rank of Lieutenant as from the dates that they would normally have been due for the latter rank had they remained on the Active List (*i.e.* between 2 and 2½ years seniority as Mate) provided that to be eligible for promotion before attaining three years seniority as Mate, Officers must have:—

(1) Served not less than two years as Mate.

(2) Obtained a Watchkeeping Certificate.

(3) been recommended for promotion before retirement.

Mates (E) on the Emergency List who were promoted under normal Regulations are eligible for promotion to the rank of Engineer Lieutenant as from the dates they would have been due normally for that advancement on the Active List, provided that, to be eligible for this promotion before attaining three years' seniority as Mate (E), Officers must have

(a) served not less than two years as Mate (E) on the Active List,

(b) been recommended for promotion before retirement.

Acting Engineer Lieutenants promoted to that rank from Mate (E) under the special War regulations laid down in King's Regulations and Admiralty Instructions, Appendix X, Part V, Section I, and placed on the Emergency List as Acting Engineer Lieutenants, are eligible for confirmation in the rank of Engineer Lieutenant, with their Acting seniority, on completing one year's seniority in the Acting rank.

Instructor Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Instructor Lieutenant-Commander on attaining six years' seniority.

Surgeon Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Surgeon Lieutenant-Commander on attaining six years seniority if they be recommended by the Director General of the Medical Department of the Navy and have served two years at sea.

Paymaster Sub-Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Paymaster-Lieutenant:—

(a) On completion of two years' service after being called out, including service prior to resignation or

(b) on attaining three years' seniority, whichever is the earlier date.

Paymaster-Lieutenants placed on the Emergency List subsequently to 1st July, 1919, to be eligible at the discretion of the Admiralty, for promotion to the rank of Paymaster Lieutenant-Commander on attaining 8 years' seniority if their records are satisfactory, subject to their having passed the necessary examination for the corresponding rank on the Active List where required to do so by the Regulations.

(Order in Council, 7th March, 1913.)

ENTRY OF OFFICERS OF THE ROYAL NAVAL RESERVE ON THE SUPPLEMENTARY LIST OF LIEUTENANTS AND SUB-LIEUTENANTS, R.N., UNDER ORDER IN COUNCIL OF 7TH MARCH, 1913.

A limited number of Officers of the Royal Naval Reserve between the ages of 22 and 32 will be entered on a Supplementary List of the Navy.

Candidates will be selected from Officers of the Royal Naval Reserve who have completed 12 months' training in the Royal Navy, or who are now undergoing training.

Sub-Lieutenants will be eligible for promotion to Lieutenant after one year's service from the date of entry in the Royal Navy or on the date on which they would have become eligible for the rank of Lieutenant in the Royal Naval Reserve, but power is reserved to the Admiralty to appoint them as Acting Lieutenants at any period of their service.

The rates of full, half, and retired pay, mentioned above, are shown in other parts of the Navy List.

At the discretion of the Admiralty a Lieutenant-Commander or Lieutenant on retirement may be granted the retired rank of Commander under the conditions applicable to Lieutenant-Commanders and Lieutenants generally.

Pensions for wounds and injuries, widows' pensions and compassionate allowances for children will be at the same rates and under the same conditions as those granted to Officers of the Royal Navy of corresponding rank.

Officers on entry will cease to be entitled to retaining fees.

The full equipment grant of £4 will be given to Sub-Lieutenants and £4 to Lieutenants, in consideration of their having to obtain naval uniform, provided that they have not received any outfit allowance on appointment to one of His Majesty's Ships for training within the two years immediately preceding the date of entry on the Supplementary List.

An Officer who has received outfit allowance within such two years will receive only half the equipment grant, or the difference between what he has already received and the full rate.

Officers on the Supplementary List who perform meritorious service during war or who specially distinguish themselves in action will be eligible for transfer, at the discretion of the Admiralty, to the general list of officers of the Royal Navy in vacancies, and if so transferred will be allowed to count the service which they were entitled to count when on the Supplementary List.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For TABLE, *see* p. 2405.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedency of Naval and Military Officers in command of His Majesty's Forces:

a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

1. Officers of the Royal Naval Reserve, and Royal Naval Volunteer Reserve, with the exception of those referred to in Clause 2 below, rank with, but after, Officers of the Royal Navy of corresponding rank in the order here given, *e.g.*, Lieutenants R.N. rank before Lieutenants R.N.R., before Lieutenants R.N.V.R., and Lieutenants R.N.V.R. before Sub Lieutenants R.N., whatever their seniority may be.

2. Lieutenant-Commanders and Lieutenants R.N.R. and R.N.V.R. holding qualified status (distinguished in the seniority lists in the Navy List by the symbol ⊙) rank with officers of the Royal Navy of corresponding rank according to their dates of seniority.

3. Officers holding acting rank, rank *immediately* after the Officers holding the same confirmed rank in the same service, *e.g.*, acting Lieutenants R.N. rank after Lieutenants R.N. (confirmed), but before Lieutenants R.N.R. (confirmed) (provided the latter are not qualified officers.)

4. Royal Naval Volunteer Reserve Officers other than those referred to in Clause 2 above are not to assume any Naval command or authority whatsoever, unless ordered to do so, by superior Naval Officers. (Art 173 K.R. & A.I.)

PRIZE MONEY.

GEORGE, R.I.

Whereas Her Majesty Queen Victoria was graciously pleased by Her Royal Proclamation of the 17th September, 1900, to regulate, according to the Scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, &c.:

And whereas by an Order in Council, dated the 28th August, 1914, We were pleased to cancel the system of distribution described in the above-mentioned Proclamation as regards Prizes captured from the enemy, and to declare that in lieu thereof it was intended to substitute a system of Prize Bounties or Gratuities for more general distribution to the Officers and Men of Our Naval Forces:

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

We do therefore now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the net produce of all such Prizes captured during the present War as shall be declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the above-mentioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives.

Given at Our Court at Buckingham Palace, this Fifteenth day of August, in the year of our Lord One thousand nine hundred and eighteen, and in the Ninth year of Our Reign.

GOD SAVE THE KING.

REGULATING THE DISTRIBUTION OF PRIZE MONEY TO THE FLEET.

GEORGE R.I.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of Our Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

And whereas We were pleased by Our Proclamation of the 15th August, 1918, to order and direct that the net produce of all such Prizes captured during the present War as shall be declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the above-mentioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives:

We do therefore now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the said distribution shall be made in the shares and proportions hereafter mentioned at such time as the Admiralty may determine to those members of Our Naval and Marine Forces as aforesaid who have during the present War performed service at Sea in Our Ships and Vessels of War in accordance with the following Regulations or in case of their death to their representatives:—

1. Service at sea shall be defined as having been borne for service at sea on the books of a seagoing Ship of War which goes to sea or on the books of a parent Ship for service in armed seagoing tenders.

2. Offensively Armed Auxiliary Vessels serving with Our Fleet shall be deemed Ships of War, including Armed Boarding Vessels, Trawlers, Drifters, and Vessels of the Auxiliary Patrol.

3. In any case of difficulty the Lords Commissioners of the Admiralty are empowered to determine what Vessels or Classes of Vessels shall be regarded as Ships of War for the purposes of the distribution and what nature of service afloat shall be considered as sea service and harbour service respectively.

4. As regards Our Royal Naval Air Service, trained Pilots and Observers, the crews of Our Naval Airships and others who have had to fly continuously at sea shall, while borne on the books of one of Our Ships and attached to a Naval Air Station, be considered to have been performing service at sea, but no service at a Training Establishment or when employed on shore for service with Our Army or the Armies of any of Our Allies shall be so considered.

9. Participation at the full rate shall be allowed to each individual Officer and Man who has performed service at sea as above defined for a period of not less than a month between the 4th August, 1914, and 11th November, 1918, or such later date as may be fixed by the Lords Commissioners of the Admiralty, to cover the cases of Officers and Men taking part in action, or the equivalent of the loss of personal effects at sea, who have not completed the month's service qualifying for participation in the Distribution, and all Officers and Men who have performed less than a month's service, but who have been actually present at the Fall of Zeebrugge, and all Officers and Men who have been employed for more than one month, but less than two months, shall be qualified to participate in the Distribution, and shall be entitled to a less amount than full.

4. The maximum rates which shall have been earned to be allowed, irrespective of actual time served at sea, in all cases in which, before completion of the qualifying period, Officers and Men have their services at sea terminated by wounds on service at sea, or other disqualifying cause, or are certified medically unfit for service on sea, as a result of wounds or injuries so received.

7. A similar rate to be allowed in all cases in which Officers and Men die or are invalided on account of disease attributable to service at sea, but that at least two months of the qualifying period has been served.

8. Prisoners of War captured, under circumstances which cast no reflection on themselves, whilst serving afloat or transferred from vessels of Merchant Service, shall receive, at all events, the maximum rate which would have been earned, irrespective of the time served at sea.

The cases of individuals interned in Neutral Countries shall be decided by the Lords Commissioners of the Admiralty.

9. Each individual shall be allotted the number of shares, according to the scale appended, due to the rank or rating in which he has served at sea, and if in more than one the number due to the higher, provided that such rank or rating has been held during service at sea for at least six months (not including paid acting time), and that any subsequent reduction or reversion has not been due to misconduct.

10. Commodores and other Officers serving as Chief of Staff or Captains of the Fleet shall share as if they were in command of a squadron or ship.

11. The Officers in command of Motor Boats and Launches shall receive the shares of Officers of their rank not in command.

12. All persons temporarily employed in Our Naval Forces shall share in the classes to which the ranks or ratings to which they are temporarily appointed may belong or be deemed equivalent.

13. Supernumerary Officers and Men doing duty on Our Ships and Vessels of War shall share according to the Ranks which they hold in the Service.

14. No person who has incurred forfeiture of Prize Money under the Naval Discipline Act, or who is discharged from the Service for misconduct, shall be entitled to share.

15. In the event of any difficulty arising with respect to any of these Regulations, or if any case should occur not herein provided for, the Lords Commissioners of the Admiralty shall be competent to issue such directions thereon as may appear just and expedient.

The distribution is to be made so that each Officer and Rating entitled to participate shall receive shares according to his class as set forth in the following scale—the relative ranks mentioned being those laid down in the Regulations and Instructions for the government of Our Naval Service, the Instructions for the government of the Coast Guard Service and the Regulations for the government of the various classes of the Reserve, or, if not so laid down, as determined by the Lords Commissioners of the Admiralty.

ROYAL NAVAL AND MARINE ORPHAN HOME,

ST. MICHAEL'S ROAD, PORTSMOUTH. *Man. Tel.* 6130

HIS MOST GRACIOUS MAJESTY KING GEORGE V.
HER MOST GRACIOUS MAJESTY QUEEN MARY.
HER MOST GRACIOUS MAJESTY QUEEN ALEXANDRA, QUEEN MOTHER.
COMMANDER H.R.H. THE DUKE OF YORK, K.G., G.C.V.O., R.N.
President: ADMIRAL SIR SYDNEY R. FREMANTLE, K.C.B., M.V.O.
President of Ladies' Committee: LADY FREMANTLE.
Hon. Secretary of Ladies' Committee: MISS A. CHADS.
Secretary: PAYMASTER CAPTAIN W. G. E. PRESFOLD, C.B.E., R.N.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

If accommodation is available to receive the children of Widowers, below Warrant Rank, serving in His Majesty's Navy and Marines, subject to conditions, and payment of a weekly sum, to be determined by the Directors, will be taken in the same way as the fatherless children.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vice in morals.

In the Female Orphan Home there are 150 girls entirely dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are maintained, clothed, and educated; there are in addition 100 girls partially maintained by Greenwich Hospital Funds and 4 under the Royal Patriotic Fund.

There is also another small Home in Clarendon Road, Southsea, where 20 children from 5 to 7 are received.

The girls are under the guidance of a careful matron and subject to a course of industrial training to qualify them for domestic service and such other occupations as the Directors from time to time deem advisable. A few girls will join the Secondary School for further teaching, and some are attending the Higher Education Classes held in the Home.

There are 40 boys (to be increased to 60), maintained from the Funds of the Home, at Swanley in Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

President: THE COMMANDER-IN-CHIEF, THE NORE.
Vice-President: THE COMMODORE, R.N. Barracks, Chatham.

THE object of the Home is to provide for the fatherless children of our Seamen and Marines, and ensure them a practical training, including all household and laundry work, under a capable Matron, with a view to domestic service. Every effort is made to secure good situations for the girls on leaving the Home.

If any girl shews a particular aptitude for special work outside domestic service she is given her chance, if practicable.

To encourage those educationally inclined, "Nore Scholarships" at the Chatham Secondary School, at the expense of the Funds, have been instituted.

On 31st December, 1922, 37 girls were maintained in the Home, in addition to 38 boys, maintained at Swanley and other Homes.

All denominations are accepted and orphans of men of the R.N.R., and R.N.V.R., who have lost their lives whilst on duty in the Royal Navy, are equally eligible with those of men of the Royal Navy. Age for admission 5 to 12 years.

The Home is governed by a Committee of officers and men, who earnestly invite visitors to view the Home.

The extent of the good work of the Home depends on voluntary contributions, and all donations will be gratefully received. Donations should be sent to the Hon. Treasurer and all corresponde ce to the Hon. Secretary, addressing in both cases to the Royal Naval Barracks, Chatham.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen killed or disabled in the War.

This Fund was settled in trust as a Memorial of Lieutenant GEORGE WATSON GUTHRIE, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

The Fund produces an annual free income of about £1,000.

The Trustees are Mr. GEORGE MACDONALD, C.B, Secretary of the Scottish Education Department; Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; Mr. H. P. MACMILLAN, K.C., Edinburgh; Professor HARVEY LITTLEJOHN, Dean of the Faculty of Medicine in the University of Edinburgh, and Mr. E. F. H. BRADBY, Solicitor, London.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training, or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from November the 11th, 1918, being the date of the cessation of hostilities in the late War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and they have not laid down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases.

All communications should be addressed to the Agents for the Trust Messrs. Murray, Beith & Murray, W.S., 43 Castle Street, Edinburgh,

February, 1923.
